Senator Jacob Javits
US Senate Office Building
Washington, DC

Dear Senator Javits:

Enclosed is a copy of March Lab World. It contains an editorial and article about the mishandling of Americans in the Guyanese mass death episode.

I feel the situation should be investigated, and would like to call upon you to see that such an investigation takes place.

A similiar situation could happen again. We cannot afford to repeat this deplorable missmanagement.

Sincerely,

A.E. Woolley
